

**REMARKS/ARGUMENTS**

Entry of the foregoing amendments is respectfully requested.

The specification has been amended to properly indicate the status of the grandparent application.

Claim 64, amended by Examiner's Amendment, has been further amended so as to render it consistent with the language agreed upon during the March 15, 2004 telephone interview. Claim 66, also amended by Examiner's Amendment, has been further amended to correct a clerical error. Finally, it is noted that, in claim 69 of the Examiner's Amendment, the first bracketed phrase should read "[causing or allowing expression from heterologous]".

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
